

On the occasion of the Asia-Pacific-Weeks 2011

Green Cities – Green Industries

The Berlin Conference 12-13. September 2011

- A German International Green Industry Initiative -

"Green industries initiatives" are growing and the metropolitan cities in Europe compete for international recognition to be one of the leaders of future developments. Berlin starts up and intensifies her networking in the green tech sector world wide. The Asia-Pacific-Weeks 2011, since 1997 the international biannual meeting point for global businesses and networkers No. 1 in Europe will make this start up competitive. Among the 200 mayor events on politics, culture, society and business, the "Green Cities – Green Industries – The Berlin Conference" (12th.-and 13th. September 2011 in Berlin City Hall/Berliner Rathaus) offers strategic visions and a network of business contacts to the markets of the future not only in Asia but also world wide. Waste & Waste Management, Agro Business, Food Processing, Biotech, Food Safety, Urban Planning and Construction, New Energy & Energy Efficiency and selected country forums with high ranking participation from China, Thailand, Vietnam, Mongolia and India will be once again an unique opportunity to make new business contacts or develop new projects.

The first day of the conference will begin with the opening ceremony and the welcome addresses of hosts and guest delegation and be followed by 4 the forums. On the second day the guest delegations from Asia will have the opportunity to present their investment destinations or projects for future co-operations in the green industry sector.

Asia Pacific Legal Forum: Projektentwicklung: Rechtsfragen bei Projekten in Asien

14.00-16.30 hrs., III. Fl., „Louise-Schroeder-Saal“, Room 337

Die erfolgreiche Entwicklung und Durchführung von Projekten, Investitionen aber Kooperationen im Ausland sind wesentlich von der rechtssicheren Gestaltung, Vertragsvereinbarung und darüber hinaus von einem professionellen „claims management“ abhängig. „Ansprüche rechtssicher vereinbaren, sichern und im Zweifel oder Konfliktfall auch durchsetzen“ werden in dem Forum „Projektentwicklung: Rechtsfragen bei Projekten – nicht nur - in Asien“ von kompetenten Sprechern erörtert. Erfahrungen aus der Praxis bleiben maßgebend. Die Sprecher aus den international tätigen Rechtsanwaltskanzleien Trempel & Associates und Graf von Westphalen widmen sich dem anspruchsvollen Themenkatalog aus praktischer Sicht. Aus dem Themenkatalog:

Rechtsfragen der Markterschließung in China und Asien

- Grundfragen der Geschäftsanbahnung & Projektakquisition, Vertrieb, Unternehmensrecht, Kooperationen, Kontakte zu Regierungsstellen und ihre Bedeutung
- Vertragsgestaltung: Grundlagen des internationalen Vertragsrechts
- Rechtsstreitigkeiten und Vollstreckung: Arbitrage oder Zivilverfahren ?
- Fragen der Vollstreckung und Rechtssicherung in China und Thailand

PRESENTATION

Dr. Dunja Stadtmann, Rechtsanwältin, München, Graf von Westphalen, Rechtsanwälte, Wirtschaftsprüfer, Steuerberater

Eberhard J. Trempel, Rechtsanwalt, Certified Tax Lawyer, Arbitrator, Trempel & Associates International Law & Tax Firm.
